PAGE 1 OF 48 PARTIES, PROPERTY, AND GRANT OF TENANCY

This section forms part of the residential lease between the landlord, Riverside Quarter Residential LLP, and the tenant, Amelia Chen and Noah Brooks, for Unit 1206, Riverside Lofts, 42 Merchant Walk, Leeds LS1 4PD. The tenancy runs from 1 March 2026 to 28 February 2027. The parties agree that each obligation in this section must be read together with the rent, deposit, notice, repair, access, and conduct provisions elsewhere in this agreement.

For this topic, the tenant must act reasonably, promptly report issues, protect the property from avoidable damage, and avoid conduct that interferes with neighbours or building operations. The landlord must maintain the property in a habitable condition, arrange repairs that are the landlord's responsibility, keep appropriate records, and give at least twenty four hours written notice before ordinary non-emergency entry. Emergency access may occur without prior notice when needed to prevent injury, serious loss, or material damage.

The monthly rent is GBP 1,875 and is due on the first business day of each month. The security deposit is GBP 2,160. The required notice period to vacate is 60 days written notice. The tenant must follow these financial and notice terms even when this page discusses a practical housekeeping matter, because payment, communication, and access obligations are continuing terms of the lease.

Specific operating rules for this lease include the following: one neutered indoor cat is permitted after registration with building management; overnight guests may stay for up to fourteen nights in any rolling sixty day period; and quiet hours run from 10:00 pm to 7:00 am Sunday through Thursday and from 11:00 pm to 8:00 am on Friday and Saturday. A site- specific clause also provides that the tenant must keep the smart thermostat connected so heating efficiency reports can be produced. These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. No waiver is created merely because one party delays enforcing a term. Any amendment must be made in writing and signed or confirmed by both parties through the approved notice channel.

This section forms part of the residential lease between the landlord, Riverside Quarter Residential LLP, and the tenant, Amelia Chen and Noah Brooks, for Unit 1206, Riverside Lofts, 42 Merchant Walk, Leeds LS1 4PD. A site- specific clause also provides that the tenant must use the RFID bicycle room tag and report any lost tag within twenty four hours. These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. No waiver is created merely because one party delays enforcing a term. Any amendment must be made in writing and signed or confirmed by both parties through the approved notice channel.

This section forms part of the residential lease between the landlord, Riverside Quarter Residential LLP, and the tenant, Amelia Chen and Noah Brooks, for Unit 1206, Riverside Lofts, 42 Merchant Walk, Leeds LS1 4PD. The tenancy runs from 1 March 2026 to 28 February 2027. The parties agree that each obligation in this section must be read together with the rent, deposit, notice, repair, access, and conduct provisions elsewhere in this agreement.

For this topic, the tenant must act reasonably, promptly report issues, protect the property from avoidable damage, and avoid conduct that interferes with neighbours or building operations. The landlord must maintain the property in a habitable condition, arrange repairs that are the landlord's responsibility, keep appropriate records, and give at least twenty four hours written notice before ordinary non-emergency entry. Emergency access may occur without prior notice when needed to prevent injury, serious loss, or material damage.

The monthly rent is GBP 1,875 and is due on the first business day of each month. The security deposit is GBP 2,160. The required notice period to vacate is 60 days written notice. The tenant must follow these financial and notice terms even when this page discusses a practical housekeeping matter, because payment, communication, and access obligations are continuing terms of the lease.

Specific operating rules for this lease include the following: one neutered indoor cat is permitted after registration with building management; overnight guests may stay for up to fourteen nights in any rolling sixty day period; and quiet hours run from 10:00 pm to 7:00 am Sunday through Thursday and from 11:00 pm to 8:00 am on Friday and Saturday. A site- specific clause also provides that the tenant must use the RFID bicycle room tag and report any lost tag within twenty four hours. These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. No waiver is created merely because one party delays enforcing a term. Any amendment must be made in writing and signed or confirmed by both parties through the approved notice channel.

A site- specific clause also provides that the tenant may use the roof garden but must not remove community-grown herbs except on posted harvest days. These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. No waiver is created merely because one party delays enforcing a term. Any amendment must be made in writing and signed or confirmed by both parties through the approved notice channel.

This section forms part of the residential lease between the landlord, Riverside Quarter Residential LLP, and the tenant, Amelia Chen and Noah Brooks, for Unit 1206, Riverside Lofts, 42 Merchant Walk, Leeds LS1 4PD. The tenancy runs from 1 March 2026 to 28 February 2027. The parties agree that each obligation in this section must be read together with the rent, deposit, notice, repair, access, and conduct provisions elsewhere in this agreement.

For this topic, the tenant must act reasonably, promptly report issues, protect the property from avoidable damage, and avoid conduct that interferes with neighbours or building operations. The landlord must maintain the property in a habitable condition, arrange repairs that are the landlord's responsibility, keep appropriate records, and give at least twenty four hours written notice before ordinary non-emergency entry. Emergency access may occur without prior notice when needed to prevent injury, serious loss, or material damage.

The monthly rent is GBP 1,875 and is due on the first business day of each month. The security deposit is GBP 2,160. The required notice period to vacate is 60 days written notice. The tenant must follow these financial and notice terms even when this page discusses a practical housekeeping matter, because payment, communication, and access obligations are continuing terms of the lease.

Specific operating rules for this lease include the following: one neutered indoor cat is permitted after registration with building management; overnight guests may stay for up to fourteen nights in any rolling sixty day period; and quiet hours run from 10:00 pm to 7:00 am Sunday through Thursday and from 11:00 pm to 8:00 am on Friday and Saturday. A site- specific clause also provides that the tenant may use the roof garden but must not remove community-grown herbs except on posted harvest days. These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. A site- specific clause also provides that the tenant may use the roof garden but must not remove community-grown herbs except on posted harvest days. These provisions are included because the property has particular building, neighbourhood, or maintenance requirements that may not appear in a shorter standard lease.

If a dispute arises about this section, the parties should first review written notices, inspection photographs, payment records, maintenance reports, and any managing agent emails. No waiver is created merely because one party delays enforcing a term. Any amendment must be made in writing and signed or confirmed by both parties through the approved notice channel.

Plain-English summary: Amelia Chen and Noah Brooks rents Unit 1206, Riverside Lofts, 42 Merchant Walk, Leeds LS1 4PD from Riverside Quarter Residential LLP from 1 March 2026 to 28 February 2027.
